

# **Consultancy Policy report 2025-26**

## **Government Girls Pg College Bindki Fatehpur, Uttar Pradesh**

Government Girls P.G. College, Bindki, Fatehpur, recognizes consultancy as an essential academic extension activity that bridges institutional expertise with societal needs. The Consultancy Policy for the session 2025–26 aims to promote knowledge sharing, professional collaboration, and capacity building by utilizing the intellectual resources of faculty members for the benefit of government agencies, local bodies, educational institutions, industries, and community organizations. The policy encourages faculty to undertake consultancy assignments in areas such as higher education development, women empowerment, rural development, environmental sustainability, skill development, digital literacy, entrepreneurship, and social research.

Consultancy services may include academic advisory, project preparation, training programs, workshops, research guidance, policy analysis, survey and data analysis, and curriculum design. Faculty members are permitted to engage in consultancy work that aligns with their subject expertise and does not adversely affect their regular teaching and administrative responsibilities. All consultancy proposals must be submitted to the Principal for approval prior to commencement to ensure transparency, accountability, and institutional coordination.

The revenue generated through consultancy activities shall be shared between the faculty member and the institution as per norms decided by the College Development Committee, ensuring institutional growth and infrastructure strengthening. A portion of the revenue may be utilized for research enhancement, laboratory development, library resources, student support services, and community outreach initiatives.

The college is committed to maintaining ethical standards, confidentiality, and professional integrity in all consultancy engagements. Proper documentation, financial reporting, and outcome assessment will be mandatory to ensure quality and impact evaluation. By implementing this Consultancy Policy, Government Girls P.G. College, Bindki, Fatehpur, seeks to strengthen academia-community linkages, enhance institutional reputation, and contribute meaningfully to regional and national development during the academic year 2025–26.
